

# Consolidated Sponsored Occupations List (CSOL)

You must nominate an occupation from the Consolidated Sponsored Occupations List (CSOL) if you are nominated by a State or Territory Government, a direct entry stream Employer Nomination Scheme visa, a Temporary Work (Skilled) visa (subclass 457) or a Training and Research Visa (Subclass 402).

Applicants who require a skills assessment as part of their visa application must contact a relevant assessing authority directly to obtain a skills assessment. The assessing authority will provide all necessary applications forms and associated information relating to the assessment. There will be a charge by the [assessing authorities](#) for the assessment.
